

Summer Lesson Plan For Virtual Learning

Take a virtual field trip for speech summer vacation!

1. Child will pick where we are going to visit (therapist gives choice of two-use visuals if needed)
2. Child will pick what we will travel in (car, boat, train, truck, motorcycle, airplane, etc. Therapist can give choice of two) (*Song/Movement: This is the way we drive our car, drive our car, drive our car. This is the way we drive our car to the ____ all day long! ...*blow the horn/whistle, roll the tires, row the boat, drive the train, put on the brakes, steer the ____, fly the plane, drive the bulldozer...*)
3. Watch the video of where child chose to visit while pausing to discuss vocabulary and actions-use props if available to reinforce vocabulary
4. Wrap up sharing items or books the therapist and the child may have on the topic of the video visit.
